ABOUT THE AUTHORS

Dr. Isarji Hj. Sarudin is Assoc. Prof. of English Education at the Centre for Languages and Pre-University Academic Development (CELPAD), International Islamic University Malaysia. He was the former Dean of CELPAD. Currently, he lectures on Research Methodology and Curriculum Design and Material Evaluation. He is a panel member of Malaysian Qualification Agency (MQA) and Master Trainer for Outcome-Based Education (OBE). He has conducted more than 27 training programmes on OBE. He specializes in curriculum design, programme evaluation and language planning. He has published articles and books chapters on needs assessment, English language programmes, English in the Muslim world, and employability and graduates' English language competency.

Dr. Zainab Mohd Noor is currently a senior lecturer and the former dean at the Faculty of Education, Universiti Teknologi MARA (UiTM) and lectures on Educational Assessment & Evaluation, Methodologies in TESL and topics on Curriculum Development and Management. As a Certified Master Trainer in OBE-SCL, she has trained over 5000 lecturers using the 6 OBE-SCL Training Modules for IHLs in Malaysia. Her interests and research include assessment & feedback for/ of learning in higher education, learning engagement of undergraduates and graduate students, curriculum, instruction & assessment, second language learning & instruction, teacher education and test taking strategies in language standardized tests (MUET). Her current involvements include being a Master Trainer and a Module Writer for the AKEPT Master Trainer Program in Learning Assessment, Curriculum and Student Supervision. Her recent publication is "Answering the Cry for Help of Undergraduates in Theory-Based Courses" in *Researching Teaching in Higher Education: Our Paths to Surrender* (2012), Pearson Malaysia.

Dr. Tunku Badariah Tunku Ahmad is Associate Professor of English and Instructional Technology at the Institute of Education, International Islamic University Malaysia. Also, a former Deputy Dean of Academic Affairs, she specialises in instructional technology and ELT methodology. She teaches instructional technology, teaching methodology for instructional technology, and computer-assisted language learning. She has conducted training on instructional technology, i-citizen and e-learning. She has published articles and book chapters on e-learning, computer education, social software, and student assessment.

Dr. Ainol Madziah Zubairi is Associate Professor of English at the Institute of Education, International Islamic University Malaysia. Currently, she is the Deputy Dean of Academic Affairs. Currently, she teaches ELT methodology, discourse analysis, and testing and assessment. Her areas of expertise are language testing and ELT curriculum. She has conducted training on testing and assessment and Outcome-Based Education (OBE). She has also published articles and books chapters on assessment, English education, tracer study, gender and higher education and English language proficiency test.

Abdul Hamid Abdul Rahman is the Chief Knowledge Officer of Prestariang Systems Sdn. Bhd. He has more than 30 years' experience in teaching and ICT training with a long working history with the Ministry of Education (MOE), Malaysia. With a handful of IT education experiences, Abdul Hamid continuously supports, contributes and dedicates his effort and research towards increasing the country's ICT education level. A Certified Training Professional (CTP), he holds a Master of Education (Computer Education). He is a member of International Society for Technology in Education (ISTE) and American Educational Research Association (AERA). He has worked at other prestigious institutions such as MIMOS Berhad and Jaring Communication as Smart Learning Environment Manager and Learning Services Manager. In addition, he is also a member of Positive Usage of Internet Program and National Steering Committee of the Ministry of Energy, Communication and Multimedia, Malaysia.
